## Acknowledgements

The inspiration for this book was conceived after a seminar on this topic at the University of London in May 2010. Susan Hodgett, Adrian Pearce and Maxine Molyneux are to be thanked for hosting the seminar at the Institute for the Study of the Americas in collaboration with the Fundación Canadá. Equally important was the contribution by the International Council of Canadian Studies, which provided the funding for the initial meeting. The subsequent work was made possible by the research project *Philosophy and the Political Space* (Plan Nacional I + D; Ref: FFI2012-31640), directed by Francisco Colom González at the Institute of Philosophy of the Spanish National Research Council (CSIC) in Madrid. Janis Taylor Harvey reviewed the final version of the texts and patiently attended the editors' questions concerning English vocabulary and style.
